CHAIR YOGA

Chair yoga is a gentle practice in which yoga postures are performed while seated and/or with the aid of a chair. Benefits include improved strength & energy, improved flexibility & balance, and improved concentration.

DRUMFIT

DrumFIT's Music, Motion & Memory Program encourages participants to socialize and move together for brain and body health. This unique program uses movement through drumming to benefit both the mind and body.

EASY PACE

Beginner to intermediate aerobics that includes cardio, marching in place, and basic arm and leg movement patterns. Improves muscle strength, flexibility, endurance, coordination, and balance.

HEART HEALTHY CARDIO LEAN

Burn calories, tone muscles, and strengthen your heart with this equipment-free, low-impact cardio workout. Using steady, rhythmic movements that progressively elevate your heart rate, combined with full-range-of-motion exercises, this heart-healthy class is designed to reduce stiffness, improve endurance, and support cardiovascular health.

LINE DANCING

Line Dancing is choreographed to a variety of music with repeating series of steps that are performed in unison. Learn some fancy footwork while challenging your mind to memorize these fun sequences.

MINDFUL FLOW & CORE

Slow down, breathe deeply, and move with intention. This class combines meditative music, elongated movement, static stretching, and core strengthening to improve flexibility, alignment, and body awareness. Using mats, straps, foam rollers, and more, you'll deepen your awareness of movement, discover areas of imbalance, and cultivate greater balance in body, mind & soul.

PILATES

Pilates is a low impact exercise comprising controlled movements that enhance your balance, core strength, mobility, flexibility, and even mood. It focuses on the smaller and deeper muscles that support your structure and enhance your overall health.

POSTURE STRENGTH

Gain a deeper understanding of postural alignment, postural habits, postural impacts and targeted exercises to correct them. Using strength and release principles of Corrective Exercise, this class will bring awareness to one's own imbalances and share tips for everyday life.

RESTORATIVE YOGA

A therapeutic style of yoga which utilizes props to make it easier for the body to get into certain poses. The focus of this class is relaxation, renewal, effortlessness, ease and a completely supportive environment.
