If you fall and are unable to get up on your own accord, 911 will be called and an ambulance will be requested. The Bulverde Spring Branch Activity Center staff will not lift you or allow others to lift you. This is for your safety and the safety of others. We do not know what type of injuries that have been sustained and we do not want to take any chances of injuring you further. The Bulverde Spring Branch Activity Center is not responsible for payment of EMS service. If you fall or are injured and are able to get up and seem fine, the Bulverde Spring Branch Activity Center requests that you go to your physician or the Emergency Room to assure that there are no underlying injuries. An accident/incident report will be filed, and you will be required to sign, if possible.

If 911 is called, we will contact the persons listed as emergency contacts and make them aware of the situation. For your peace of mind please make sure that you have arranged for Medical Power of Attorney (Available at the Hospital) and that you have listed contacts that have knowledge of your medical history, are nearby or have the information to contact your next of kin. Keep in touch with your family and update them on any changes you make such as, change in physicians, etc.
